BRIEF ABSTRACT OF LETTER

Recommends the grant of a site measuring 4.48 Sq. yds adjoining the Dharmasala Chatram at Chitaldrug for the purpose of Constructing a Church by the Wesleyan Mission Authorities, and states that the Chitaldrug Mun. Bd. have agreed to the grant of the site at their meeting dated 28th Sept. 1908

The Board's resolution of 1906 seems also to be vague as to the terms of the grant. In these circumstances the Dy Comr may, it is submitted, be requested to consult the question to the Municipal Council for a resolution as to whether the said land may not be required in the future for any public purpose and if not under what conditions if any, the land may be granted to Mission authorities.

S I R,

I have the honor to state, that in 1908, Rev. A. Brockbank of the Wesleyan Mission, applied for 2 alternative sites in the Chitaldrug Municipality, for the erection of a Church -- one being the triangular piece of ground in front of the Jail and Post Office buildings, and the other adjoining the Musrai Chattram.

2 The matter was placed before the meeting of the municipal Board held on 28th October 1908 and it was unanimously resolved that the second site referred to above may be granted, as the construction of any building on the 1st site would obstruct the view of the public buildings and would also lead to congestion. Septr ?

3 The decision of the Board was intimated to the applicant in this office No. 327 dated 1/7th October 1908.

4 With reference to the above communication, Rev. D.A.Rees, General Superintendent, Wesleyan Mission, Bangalore City, now requests that the site offered therein may be made over to him so that he may begin the work of constructing the Church ere long.

5 The letter received from Rev. Rees as well as a copy of the Board's resolution on the subject, are submitted herewith together with a rough sketch showing the site to be granted to the applicant.

6 From the foregoing facts, it appears that the applicant has not taken possession of the site till now, though the municipality has agreed long ago to grant it to the Mission.

7 Now that municipal Regulation No. VII of 1906 has been introduced into the Chitaldrug Municipality, I request that ~~[illegible]~~ sanction of Government may kindly be accorded to the transfer of the site in question as required by para 2 of section 40 of the Regulation.

8 The site measures in all 4486 5/9 square yards and it is represented that so much of ~~this~~ space is quite necessary for compound etc of the sacred place.

9 It is believed that the resolution of the old council is binding on the present council, but if Government consider that the sanction should be renewed, the matter will again be placed before the council.

10 As this site is on the fort glacis and as the expression " fort or fortification " includes the trench and glacis also, it may also perhaps be presumed that under Government Order No. 3276/Gen. 138 dated 19th July 1875, the disposal of the site rests solely with Government.

11 The favor of early orders is solicited.

I have the honor to be,

S I R,

K. Ramaiah

Resolution —

The board are unanimously of opinion that the second site referred to above be granted. The construction of any building on the first site would obstruct the view of the Public Buildings and result in the congestion of buildings, being too near each other
